

EasyPatterns™ Heat Transfer Vinyl

EasyPatterns are the wow factor you're looking for! Available in several colors and patterns for a variety of niches, there's bound to be a pattern that's perfect for that next project. If you like the trendy options of *EasyPatterns* then you'll love the easy cutting, weeding, and application. The pressure sensitive carrier allows for quick and simple weeding and releases easily with a hot peel after application. With a semi-gloss finish and soft hand, *EasyPatterns* are the star of the show even when applied with a home iron!

EasyPatterns apply to 100% cotton, Poly/Cotton Blends, 100% Polyester, Leather and Lycra/Spandex. *EasyPatterns* are CPSIA Certified so you can decorate kid's items with confidence.

Application Instructions

Application instructions (home iron)

- Set iron dial between Cotton and Linen
- Cover design with Kraft paper or non-stick cover sheet
- Place on flat, hard surface (ironing board not recommended)
- Press iron with medium/firm pressure (do not slide iron)
- Press each section of design for 15 seconds
- If areas of design lift after application, replace cover sheet and re-press for 10 seconds
- Peel carrier hot or cold

Application Instructions (heat press)

- Cut in reverse
- Weed excess material
- Preheat garment for 2-3 seconds
- Apply design at 305°F/150°C
- Use medium pressure for 10-15 seconds
- Peel carrier hot or cold
- Cover and reheat for 2-3 seconds
